

What To Say And Not To Say When Rejecting Someone

What to say

"I enjoy being with you, but I don't feel that chemistry."

"Thanks, I'm flattered, but I'm not looking for a romantic relationship."

"I know you are a wonderful person, and I'm sure you'll find your best match."

"I really appreciate your openness, but the feelings here aren't mutual."

What not to say

"Sorry, but you aren't my type."

"I don't think we can complement each other."

"To be honest, you don't fit my expectations of a partner."

"Please, don't ever think you and I can be a couple."
