

# Cinquain Poem Writing

## — Guide For Children —

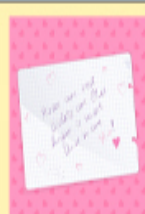

### Rules

Should have five lines only

Should consist of two syllables each in the first line and the last line

The second line should have four syllables, six syllables in the third, and eight syllables in the fourth

May or may not have rhyming words

### Writing Steps to Follow

Decide on a topic

Think about the words to add

Think and draft a story or content based on those words

Remember the syllable count rule and use the draft to form the poem
