

# Precautions To Follow

When Using

## Outdoor Playsets

Children should always sit facing each other on the seesaw

Follow the one-child-per-seat rule on the seesaw

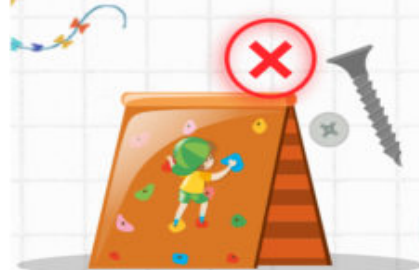

Avoid allowing other children to play near a moving swing

Children should not stand or kneel on swings

Children should take one step at a time when climbing slides

Ensure the steps on the slides are evenly spaced

Ensure the climbing sets do not have sharp edges or nails

Never let children use a slide head-first.
