

# More GAMES TO CONNECT WITH PEOPLE

## Ten Things In Common

Share ten facts about yourselves, such as favorite things, books, and places, and see how many of them are common with others.

## Take A Picture

Click a picture of anything, such as shoes, a park, or your pets, and let it become a conversation starter for fun stories.

## Personality Quiz

Download some personality quiz questions and pass them around answering them. You'll see the uniqueness of each one unraveling.

## One Word

Pick any prompt and use only one word to describe it. It is perfect to understand how one thinks and feels.

## Guess Who

Write about your experiences or encounters on paper and shuffle them. Have each one pick a chit and have them guess the person who wrote it.

## Trivia Game

Pick a random topic about movies or games, start with sharing your knowledge about it and see how many interesting facts pop up.
