

# Types Of Travel Fan And Buying Tips

## Types of travel fans

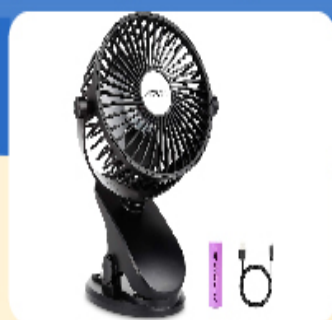

### Handheld

Easy to carry in a pocket and lightweight

### Desk fans

Suitable for groups and large space

### Clip fans

Features clip-on style, easy to hang

### Hanging fans

Can be worn like a necklace

## Tips for buying

Ensure that the fan has robust performance and durability.

The design should be compact and lightweight for travel needs.

Choose a product that can be charged using a USB charger.

Look for ones with longer battery life, around six to eight hours.
