

Selection Advice For 3-Month-Old

Babies' Toys

Look for toy sizes suitable for the baby's age.

Opt for small and lightweight toys.

Make sure the toys have easy-to-grab handles.

Choose toys made of child-safe materials and BPA-free plastics.

Pick toys made of sturdy material that can sustain wear and tear.

Select toys that are durable enough for rough use.

Opt for bright and colorful toys that can promote visual and auditory stimulation.

Look for toys that your baby can play with throughout their infancy.
