

Points To Consider

When Buying Diapers

FOR PREMATURE BABIES

P

Look for the "P" sign or "preemie" mentioned on the packet, or choose the smallest size.

Seek diapers with hook-and-loop closures for effortless use and removal.

Look for hypoallergenic diapers for sensitive skin.

Choose diapers made of cotton and natural materials for breathability.

Avoid overstocking, as babies quickly outgrow diaper sizes.

Avoid bulky diapers without compromising on absorbency levels.
