

POINTS TO CONSIDER WHEN BUYING A WAR BOARD Game

Ensure the game has more scope for strategy than luck.

Make sure rules are simple and age-appropriate for children.

RULES

Fact-check a historical game before investing in it.

Avoid games that promote unnecessary violence.

Ensure the game's player count matches your requirements.

Consider the game's run time to ensure it meets your needs.

Ensure the cards and pawns are made of sturdy materials.

Choose a game that comes in a durable storage box.
