

WAYS TO KEEP GOOD FRIENDSHIPS

Stay connected

Keep in touch through text messages and phone calls.

Spend quality time together

Hang out regularly and indulge in fun activities.

Create routines

Hit your favorite restaurant once a week or go for a drive.

Use video chat

Facetime them once in a while and catch up on each other's life.

Work out together

Hit the gym and help each other progress daily.

Be genuine

Don't say or do things just to keep the friendship. Always be honest and real.

Be open

Share your thoughts and feelings and be a good listener.

Support them

Stay with them through thick and thin and always lend a helping hand.
