

Quotes To Flirt With Him

Seeing you is like having a cup of coffee. You are rejuvenating!

It will become a bestselling romance novel if I ever publish my feelings for you.

Are you amnesia? You make me forget the world.

Do you know why I love the keyboard? It has U and I together.

Apart from stealing my heart, what do you do for a living?

Without you, my nights are sleepless, my days are hopeless, and I am senseless.

My heart leaps with joy every time I get a notification indicating your message.

I didn't believe in love at first sight, but then I met you.
