

EASY GUIDE TO PLAYING PICTIONARY FOR CHILDREN

What you would need

- Stationery: Pens, pencils, and markers
- Whiteboard
- Dice
- Square paper cards for listing the categories and words
- Stopwatch or sand clock

Putting things together

- Pick your categories, such as animals, places, famous people, movies, and so on. It should be at least five.
- Write down a related word under each category on one card and shuffle the cards.

How to play

Divide the children into two teams with equal players.

One player from each team has to pick a card and draw the word written on it to explain without writing, uttering, or enacting the word.

Other players from the same team must guess the word based on the drawing.

You can select the number of rounds you wish to play for each team, and the one with the highest correct guesses wins.
