

# Different Types Of Books For

## One-Year-Olds

**Theme-based** books introduce the baby to animals, food, and mode of transport.

**Pictorial** books feature vibrant and clear illustrations and names of simple everyday objects.

**Textured** books are made with different fabrics, providing a sensory experience.

**Hardbound** books feature a sturdy build, withstanding rough use by babies.

**Interactive** books emit sound effects and melodies, providing prolonged entertainment.

**Lift-the-flap** books allow the child to play with the book and discover hidden items under the pictures.
