

# Different Types Of *Chairs* For Artists

Spa stools are swivel chairs with a low back, facilitating comfortable haircuts.

Makeup chairs have a foldable design, ensuring portability to shooting locations.

Drafting chairs feature a tall height, enabling convenience at standing desks.

Armless chairs promote easy drawing tasks, eliminating the need for stretching.

Director's chairs are wheelless with raised seats, enabling a steady, better view.

Artist chairs with side tables allow for the convenient storage of work supplies.
